The movie is produced by Azhar Usmani and directed by Maneesh Sharma, Anjum Jaipuria. Hrithik Roshan began his acting career with this movie. The film was remade in Tamil as Akkado Naan Pesun following a controversial incident during the shoot. Plot Raju and Madhav are best friends. They live together with their parents and younger brother and help them out in every little thing. Raju is one of the most popular persons in college. They spend their vacations in the forests of the Himalayas, where Raju gets to know about the life of a maharaj, his wife and family. This new experience fills him with an urge to make the family happy by accomplishing something important. Things go on the same way as they do in college but things don't seem to be going on the same pace as usual. Raju gets to know that Madhav is secretly in love with a girl named Shobha. He gives his best friend the task of asking her to come to their cabin but fails miserably. Raju also meets Shobha, who is the same age as him and he feels about her more. He finds out that Madhav's heart is still in love with her and feels dejected. His friend plans to confess his feelings to her and successfully does it, but she rebuffs him. Finally, he gets the courage to ask Shobha out and a
